

ARCHITECTURAL  
SOLUTIONS

## Compare the profiles. Reap the rewards.

New Year, new wins. Welcome back from your break; here's a little kickstart to the year.

When considering profile choices, it's good to have all the information at hand, for easy reference. To help with this, click [here](#) to download our Profile Guide. This will give you broad details of the profile range as well as links to specification tools and data sheets.

Additionally, we've launched our Project Registration Rewards program, where we reward you for giving us project and/or specification details that allow us to help protect the spec and provide further assistance as required.

Send through as many as you like, and choose how you would like to be rewarded.

Either click the link below to go through to the online form, call Shawn Stevens on 0455 335 457 or email me at [shawn.stevens@stratco.com.au](mailto:shawn.stevens@stratco.com.au) and I can fill out the details for you. Easy as!

**CLICK HERE TO REGISTER YOUR PROJECT  
AND START RECEIVING REWARDS.**
