

Dear Customers,

RE: Friday the 26th April

We hope your 2019 has started well, it certainly feels as the year is moving quickly as the Easter holiday period is fast approaching.

This year the Easter and ANZAC Day public holidays fall within the same week, this leaves only three working days during the week starting on the 22nd April. Stratco have decided to close manufacturing and despatch operations on Friday 26th April, however our retail locations will remain open. Please refer the below table for an overview of the week and our operating days.

Stratco would like to thank you for your business to date and we look forward to continuing to work with you and your teams in the future.

Kind Regards,
