Premium Banner Mesh Panel - Hemmed & Eyeleted every 500mm	2.2m x 1.8m	220mm x 160mm

### Does your artwork contain photos?

If your artwork contains photos please place or link hi-res photos into your artwork and follow the PDF export instructions detailed below. As the artwork is supplied at 10% following the instructions below will ensure that any photo based elements are exported to PDF at a high resolution ready for printing.

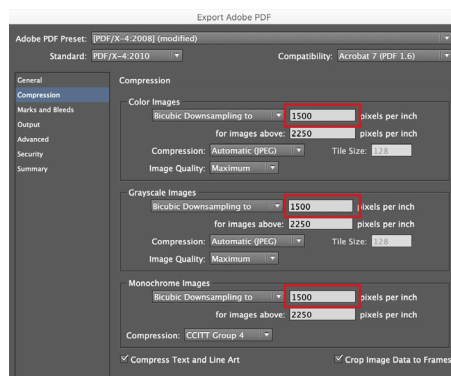

### Illustrator Users

In the Compression section enter **1500** in the fields highlighted below.

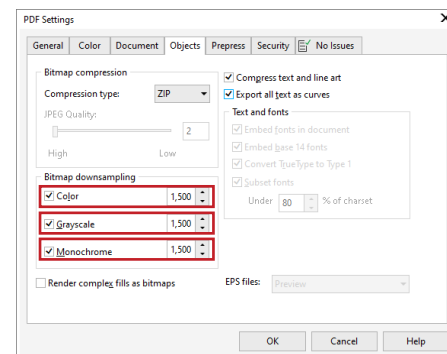

### InDesign Users

In the Compression section enter **1500** in the fields highlighted below.

### Corel Draw Users
